Whether you own or plan to own a dental practice, this seminar is for you!

This will be an in depth look at the many issues you face when selling or purchasing a dental practice, entering into a partnership buy-in or becoming an associate with an option to buy the dental practice in the future. Three of the leading experts in dental practice transitions will point out the many issues you will face when attempting to sell or acquire a dental practice. Areas of discussion will include: Evaluating books and records; analyzing the dental software and charts; lease issues which can destroy your investment; pitfalls in the purchase agreement; tax ramifications of a sale or purchase; continuing to practice dentistry after a sale; trade secret protection; restrictive covenants and covenants not to compete; financing issues; many other topics.
